

2022 Camp Ozone

Servant Leader Summer Application

Dear High School Student,

I am so excited that you are interested in serving the Lord at Camp Ozone this summer! Please fill out the enclosed application. Answer each question the best that you can and then return it by mailing it to the camp or emailing it to rebecca@campozona.org
Applications must be received by **May 1st, 2022.**

The Servant Leader program is for teenagers entering 9th-10th grade who want to grow in their walk with God through serving others and learning more about him. While exceptions can be made for students a bit older or younger, I ask that students who have completed 10th grade or higher first consider serving with us as junior counselors.

The work Servant Leaders (SLs) do is crucial to keep camp running. Servant Leaders will serve in the kitchen, snack shack, grounds maintenance, janitorial work, and more. You may also be asked to pray for a group, help lead devotions, or share your testimony.

This summer there is NO FEE as it is a short summer and the program is still getting started. But in the future as we grow, we will ask that a reduced camper fee be paid for each Servant Leader to help cover the costs of food, t-shirts, and keeping camp running.

We look forward to seeing God do great things in the lives of our campers and staff. I hope you can join us in this exciting ministry. I will follow up with you on your application as soon as possible. Please start praying about what you want to see God do this summer.

Looking forward to hearing from you,

Rebecca Evans
